ISOLA

Instagram: @isola.is.isola Website: isolaaugust.tumblr.com

When did you start fetish modeling and under what circumstances?

I started modeling as an art model, but a few years ago began to receive offers for fetish shoots. Ever curious about new experiences, I accepted and did my first bondage shoot. It was a tickle bondage shoot, so I was bound up and tickled. While I found the tickle aspect rather ridiculous, I quite enjoyed the bondage.

How do you like working in fetish scenes?

I love it! Fetish scenes are exciting. The many photographers I have worked with each seem to have their own set of bizarre fixations. I'm always discovering new things about myself.

What fetishes do you like? What do you fetishize in your life?

I'm a little bit of a masochist in my personal relationships. I like being spanked or whipped. Though I can go both ways, it really turns me on to be dominated. But what I find surprising is the number of men I meet, in everyday situations, who want to be my bitch and have me dominate them.

Have you ever been spanked? Please tell us about it.

I've been spanked many times. I especially enjoy it when a good hard spank leaves a hand-shaped bruise.

What is your ultimate sexual fantasy?

Having sex with a super-dominating bad-boy type. I like it when a bad boy bosses me around, pushes me down on the bed, talks dirty, and then forcibly rolls me over and fucks me from behind. I love it when my ass is up in the air and he's giving it to me hard and spanking me at the same time.

Have you ever been pissed on or pissed on someone?

Yes to both! I've experimented with this on *more* than one occasion. I prefer to do the peeing, as opposed to being pissed on. I'm fond of sitting on my bad boy's lap, my daddy, then wetting my panties... I'm a very naughty little girl!

What do you think about anal sex?

I don't think about it, I just do it, and enjoy it to the hilt! It's a whole new level of pleasure.

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?

I'm more of an artist, but I'd say both, because I love watching fetish porn.

Are you more submissive or dominant in bed? Is it different if you are with men or women?

I tend to be more submissive in bed, but I do like to switch it up. For me, it depends more on the person and what turns them on than their gender.

Do vou like rough sex?

Definitely! There's nothing like some intense rough sex. I like to be tied up and put into a position where I can be savagely fucked!

What about roleplaying?

Roleplaying is awesome, and a super turn-on for mel Imagination is fucking sexyl One of my favorite games is when I play a babysitter and the daddy comes home and I entice him to molest me. When he can no longer resist, we fuck!

What was your favorite part of shooting for TABOO?

Getting to shoot for such a badass fetish publication! Creating erotic scenarios, as well as finding myself in new and interesting situations. Also, when the photographer ended up standing in my puddle of pee and we joked about him getting electrocuted.

Are you currently in a fetish lifestyle partnership? Would you like to be in one?

I am not currently in a relationship, fetish or otherwise. If I was in one, there would have to be an aspect of fetish-play involved. Much more exciting than a vanilla relationship.:-)

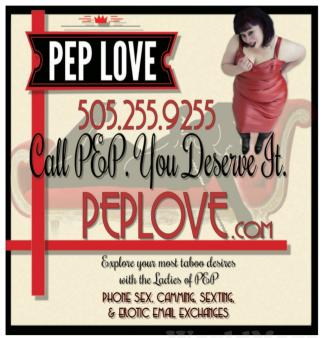

ANGELA WHITE

Twitter: @AngelaWhite Instagram: theangelawhite

Have you done fetish modeling before?

It depends on what you consider "fetish modeling," because I've done modeling in corsets and latex and leather, but it wasn't for a fetish audience. But I think this is my first real fetish shoot.

What kind of fetishes do you like and do you have an interest in fetish in your private life?

llike foot fetishes. My soles of my feet are very sensitive, even more than my nipples, so having them touched or caressed is a really intense experience for me. I probably don't have a real fetish in the true sense of the word, but I do like something called "edging"—building myself up to an orgasm, but then denying myself that orgasm for extended periods of time. But I'm a very open person, so if I'm with someone that has a fetish, then I'm open to indulging.:-)

Have you been spanked?

I have. I don't always like it, though. It depends on the circumstances, but I do like it in the moment during sex. I'm more submissive than I am masochistic. I'm not a pain slut, but I like sensations. So I like the feeling of being spanked during sex, but that's it. Maybe I could like it otherwise. I still surprise myself with my own sexuality, so maybe if the right person came along and spanked me in a way that I've never experienced... But at this point in my life, I think I'm only into it during sex.

What is the wildest thing you've ever done on set or in front of a camera?

Definitely, falling in love. That's wild! That's a crazy ride. I think that's the wildest thing anybody can ever do.

How did that craziness happen?

The thing about falling in love is that you can't control it. You literally have no way of stopping it or controlling where it goes. It's an insane experience.

Have you ever been pissed on or pissed on someone?

Yes, but I never considered it pissing. I think it's just semantics about the word "pissing," because I think that word is more of a fetish. But the times that I have played with that aspect of my physiology, it's been a beautiful, romantic thing. I think, in pop culture, "golden showers" are sort of meant to be psychologically degrading. But not in a bad way. So I've never really done it in a "fetish" way, if that makes sense.

So, did you enjoy it?

Yes. It was a beautiful experience.

Have you been the giver or receiver?

I've been more the giver. I have received it as well, though.

Did you piss in the person's mouth?

No, I was on top of them and they were inside of me at the same time, so it was a little more difficult...it took some time for me to actually expel anything, but it was a nice moment.

What do you think about anal?

I think a lot about anal! LOL

Do you act on your thoughts?

Yes, I do! I like anal! I'm all about experiencing sensations with everything in life, and anal is a totally different sensation, and I'm always wanting to indulge in every sensation that I can. Anal is great for me with large cocks and toys because I'm short in stature, so my vagina isn't that long; but my butthole you can go deeper in there, and it will be pleasurable for more length and more airth. I think it's fun!:

Are you more interested in the art of fetish modeling or the sex of fetish porn?

Everything to do with art is fascinating and wonderful. I'd have to say both. The great thing about fetish porn is that you get to get fucked, and that's always a wonderful thing!

Is there anything you'd like the TABOO readers to know about you?

Well, if they are reading TABOO, then they are already pretty open-minded, but I guess I always encourage everyone to continue to be open-minded. Always be willing to be even *more* open than you already are, because I think that we are not static beings; we're always evolving. Something that you thought was disgusting yesterday, tomorrow might seem like the most delicious thing that you could ever encounter.

Are you in a fetish relationship currently?

No, I'm not at the moment, but I wouldn't mind being in one. I'm open to everything. :-)

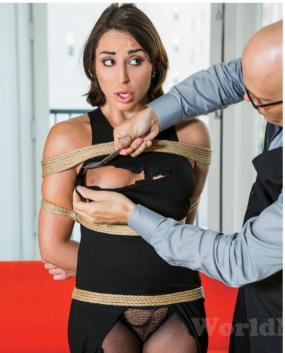

CHRISTIANA CINN

Twitter: @christianacinn Instagram: @christianacinn

When did you start fetish modeling and under what circumstances?

I answered an ad for modeling in San Francisco, and I went to the studio where the photographer was putting together a bondage shoot. He studied in Japan and had a lot of respect for the art of shibari. I was kind of nervous because I'd never done anything like that before, and I was by myself; but he was such a professional, and I decided to take a chance. He told me that we would need to do a practice run first. because he said that once he starts the shoot he can't stop, because every move goes into the next move. Kind of like voga. So he said that we need to make sure that my body can handle the process of being tied up before actually shooting. So I called one of my friends and told her what I was about to do, and I gave her the address where we were shooting, just in case. But the shoot went really well, and he wasn't shady at all. It worked out great.

So you enjoyed it?

Yeah! And the ropes were even softer than I expected. I don't know what material they were made of, but it wasn't uncomfortable. I think he said that they were made of bamboo, but I don't know what it was, but I was just able to relax and fall into it.

Were you turned on?

Well, yeah, but not by the photographer, by the process. The ropes hugging me was such a huge rush. It was like being on a rollercoaster, because you're trusting your safety to an inanimate object, and you can't get off the ride once it's started, so you really have to trust and relax.

Have you done any other bondage or fetish photography after that?

No, I haven't had many opportunities to do that since then. I did some suctiongun stuff on my nipples and clit. I couldn't believe how big my clit got. But, I didn't care for that experience because I wasn't able to wear anything sexy, like latex. I was just naked the whole time, so I didn't really get into it, because I didn't feel empowered and sexy.

Do you dress sexy when you go out? Oh yeah, totally.

What kinds of things do you like to wear?

Well, when I went out last night, I wore a skirt with a high slit, no panties, a crop top with no bra and some kickass heels.

So you love wearing high heels?

Yes, it's a turn-on for me! I remember when I used to work in retail and I would try on all types of heels when I was on my lunch break. That's when I realized that sexy heels turned me on. I loved looking at myself in them and admiring their beauty, so much so that, when I realized it was time for me to go because my break was over, my pussy was literally stuck to the seat! I was so turned on that my pussy got super wet, and I left a wet spot on the chair! I was so embarrassed, I grabbed my purse and ran out!

So would you say wearing high heels is a fetish for you?

Yes, definitely! I really enjoy wearing them all the time, even during sex or around the house. At one point, I would only take off my heels to take a shower or to go to sleep.

So what do you like about TABOO Magazine?

I'm really familiar with TABOO because I love that it's a branch of HUSTLER and the photography is really kinky, erotic and sexy. I like opening the magazine and seeing fetishes that I love and then also seeing things that I've never seen before. I can't remember which issue it was, but I will never forget seeing this girl hold a candle to her bush—and then it went up in flames! The pictures looked so amazing. I'm so excited to be in TABOO!

What are some of your favorite layouts in TAROO?

I love the Marika Hase; that's my favorite layout in TABOO so far! She's like my play sister, and I loved her French maid costume, and it was very submissive and sexy. I liked Valentina Nappi, Kenna James and Jillian Janson. They all had superb layouts. Very high fashion and very sexy.

So how do you feel about spanking?

Well, I do spanking every once in a while in my personal life because, every once in a while, I want that shock feeling, but not too hard. I'm kind of a baby when it comes to pain; I don't have a high tolerance for it. I'm submissive, but not when it comes to pain. I'll never forget when I got 23 spanks on my 23rd birthday by one of my guys, and by the 22nd spank, I had tears in my eyes! I kind of liked it, but not really. I don't like getting bruises.:-)

How do you feel about anal?

I love anal! I do it all the time in my personal life! And I really like wearing butt plugs out on a date...or going anywhere. So, if you're a fan and you see me out, you never know, I might be wearing a butt plug! LOL. They're so comfortable, too.:)

Do you have fetishes that you like to do with your partner or boyfriend?

Yes. I really like taboo role-playing. I like pretending to be a sex prisoner who's a virgin, and I make up the whole backstory. I really like pet play, too. I have a wardrobe of different tails and I have cat ears, and I love acting like a little cat, because a cat can be sexy or use their claws. I *love* doing role-play.

What's the wildest thing you've done on set or in your personal life?

Having sex in an elevator. *That* was hot. I had a chance to join the mile-high club, but I haven't yet. I think I'd prefer to do that on a private jet though! LOL.
